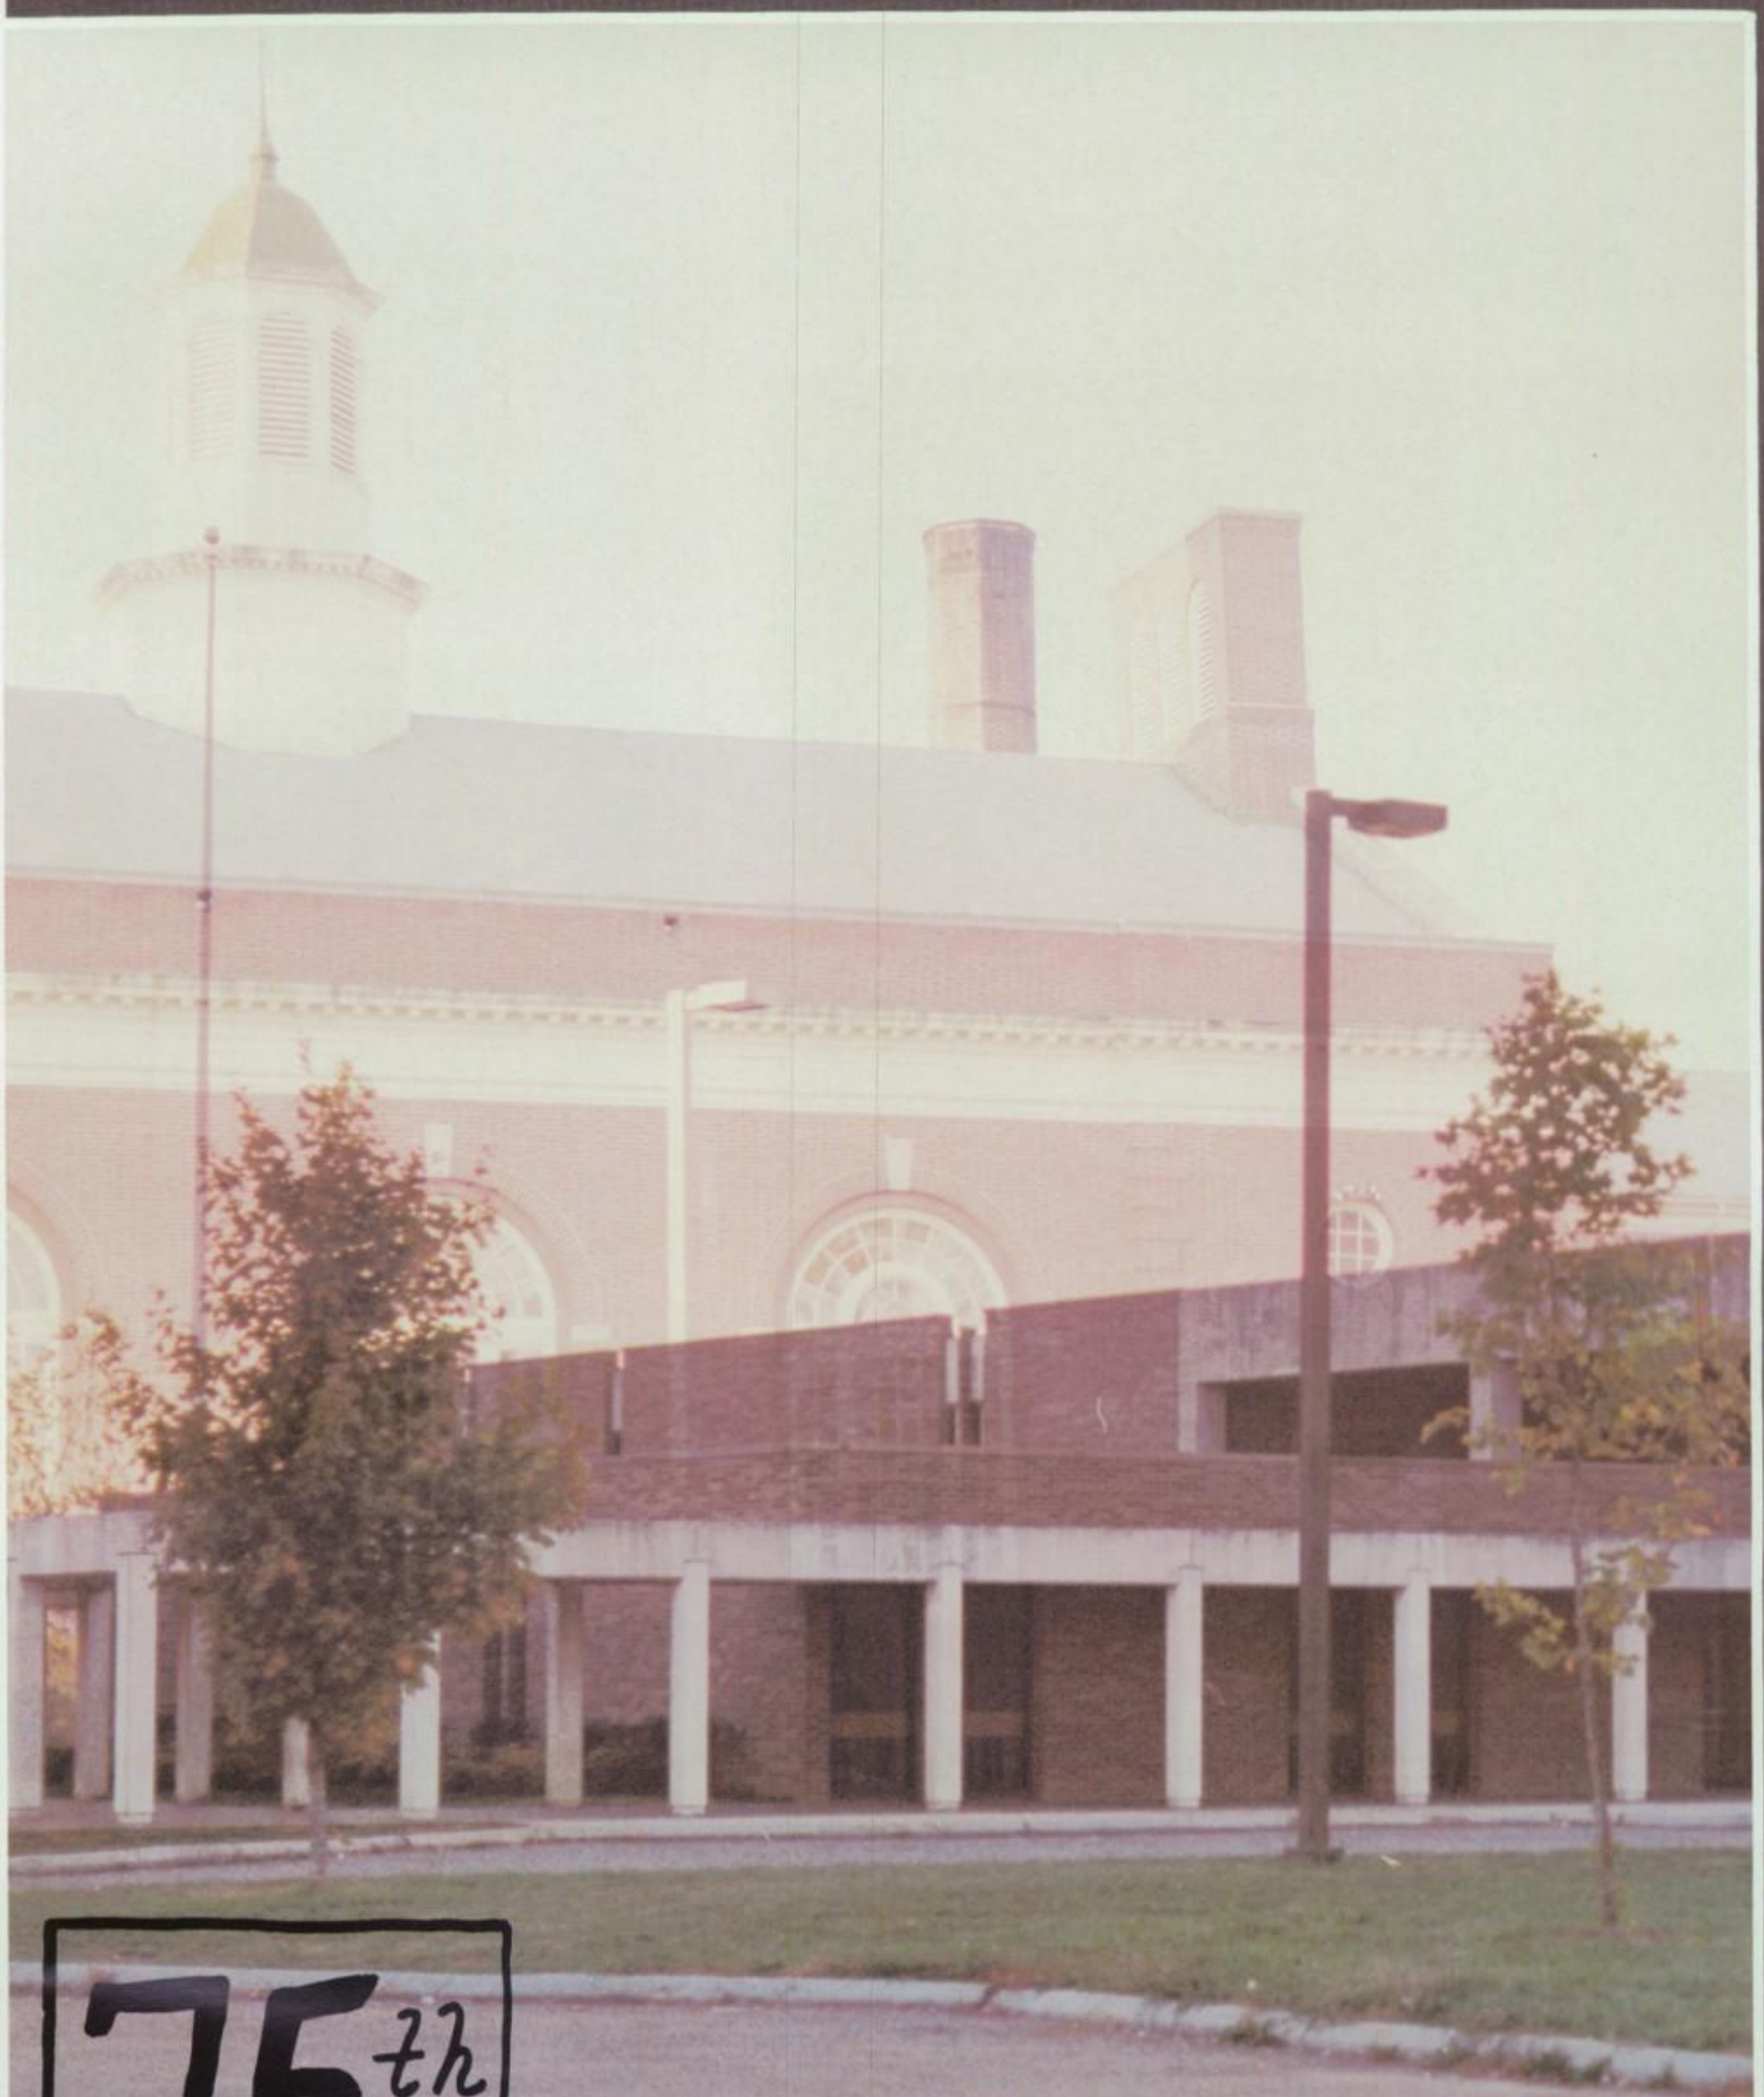
THE YEAR OF CHANGE

Centralia



In 1906, Holbrook Normal College, located on the present site of Gresham Middle School, opened its doors to the first students of Central High School.

Change has played a major role in every aspect of Central High School's seventy-five year history. Yet, one still sees Central as • • •

WHAT IS A SENIOR

A senior is a girl or boy who is charming and at times confused.
In buttondowns, jeans, and penny loafers
A lover of life in general. teddy bears, hamburgers, bubble gum, and sports cars.
A creature who is unpredictable,
A senior is a fountain of bubbling laughter.
With four years of high school behind, and high hopes for a successful tomorrow.
A senior loves to share secrets with lots of people
And likes to pretend that decisions are a thing of the past.
A senior likes to be seen with the in-crowd in the in-places.
And finds delight in bragging (sometimes even crying and complaining) about ACT scores.
A senior has a heart full of undaunted hope.
And knows that teachers and education are one of life's necessary evils.
A senior loves dances, pap rallies, annuals, holidays. snow days, ballgames, assemblies and 3:30
And can easily tell a friend every detail of Saturday night's date
During one six-minute class change.
A senior is a mixture of childhood and adulthood,
Who in sudden wonder and surprise
Realizes high school days are rapidly becoming past memories
And wishes that some how, some way, it could all begin again.

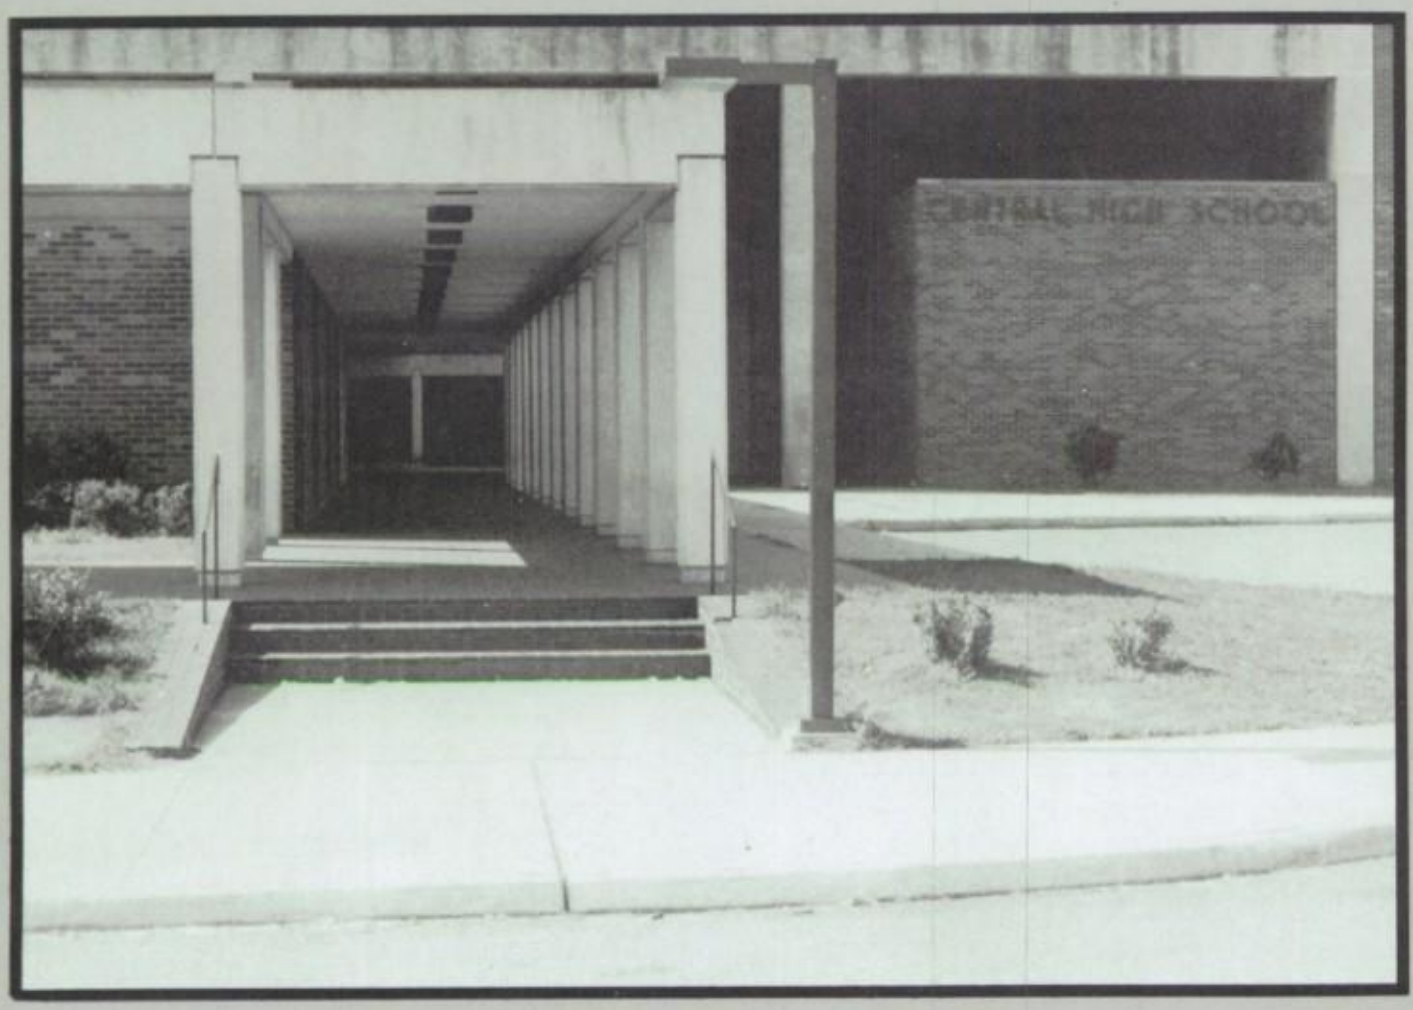
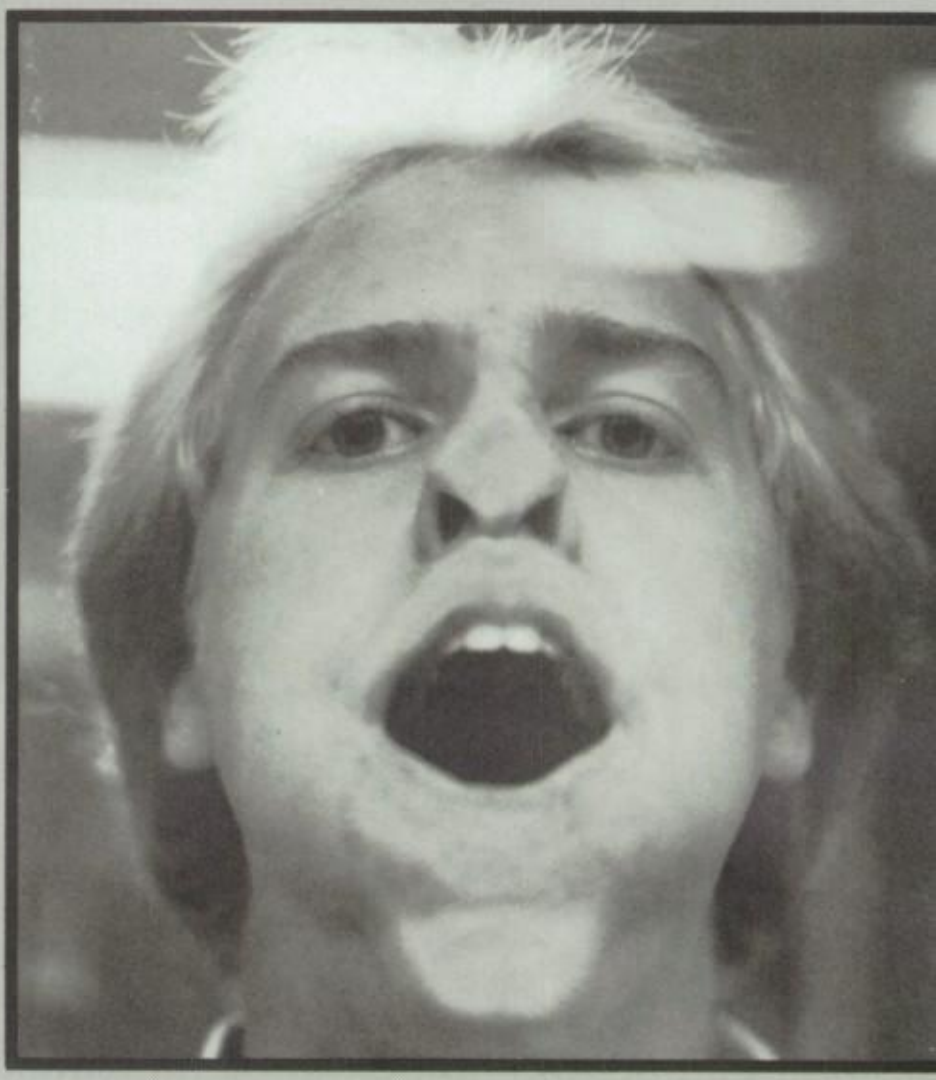
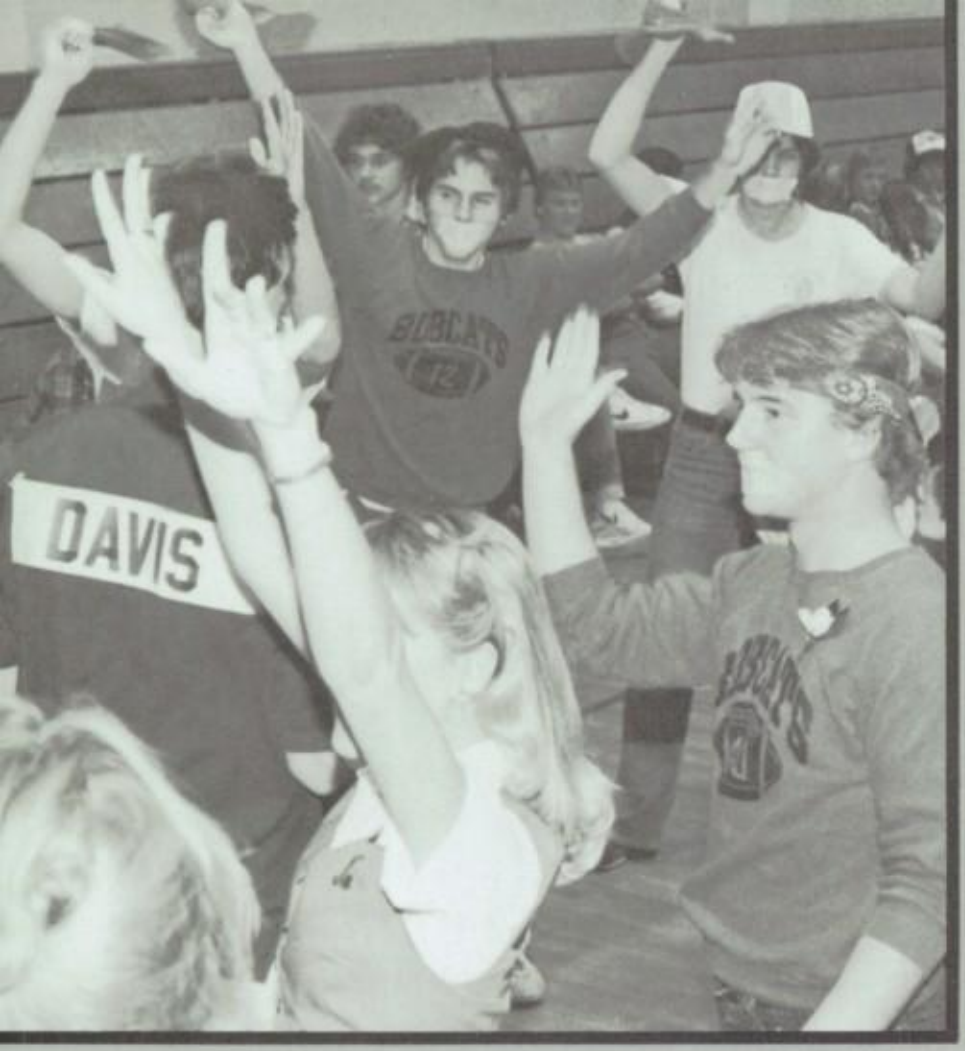
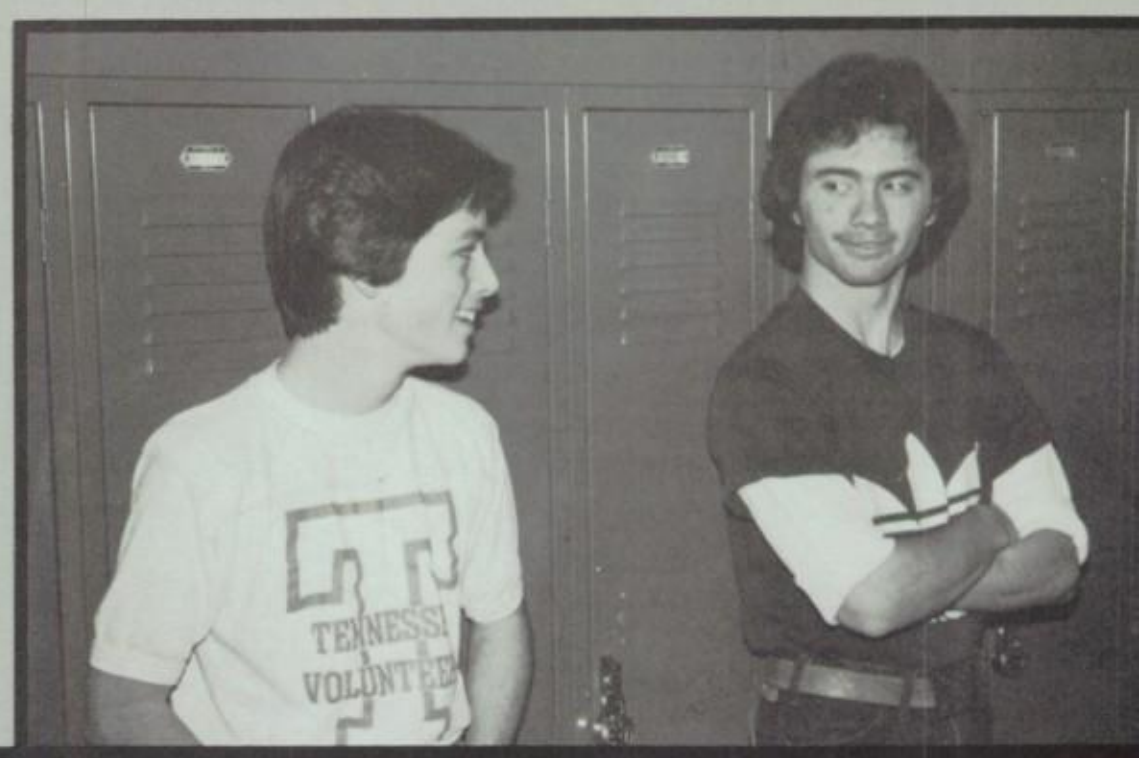
Years May Bring CHANGE As They Come And Go, But Central High Will Remain A Place With -----



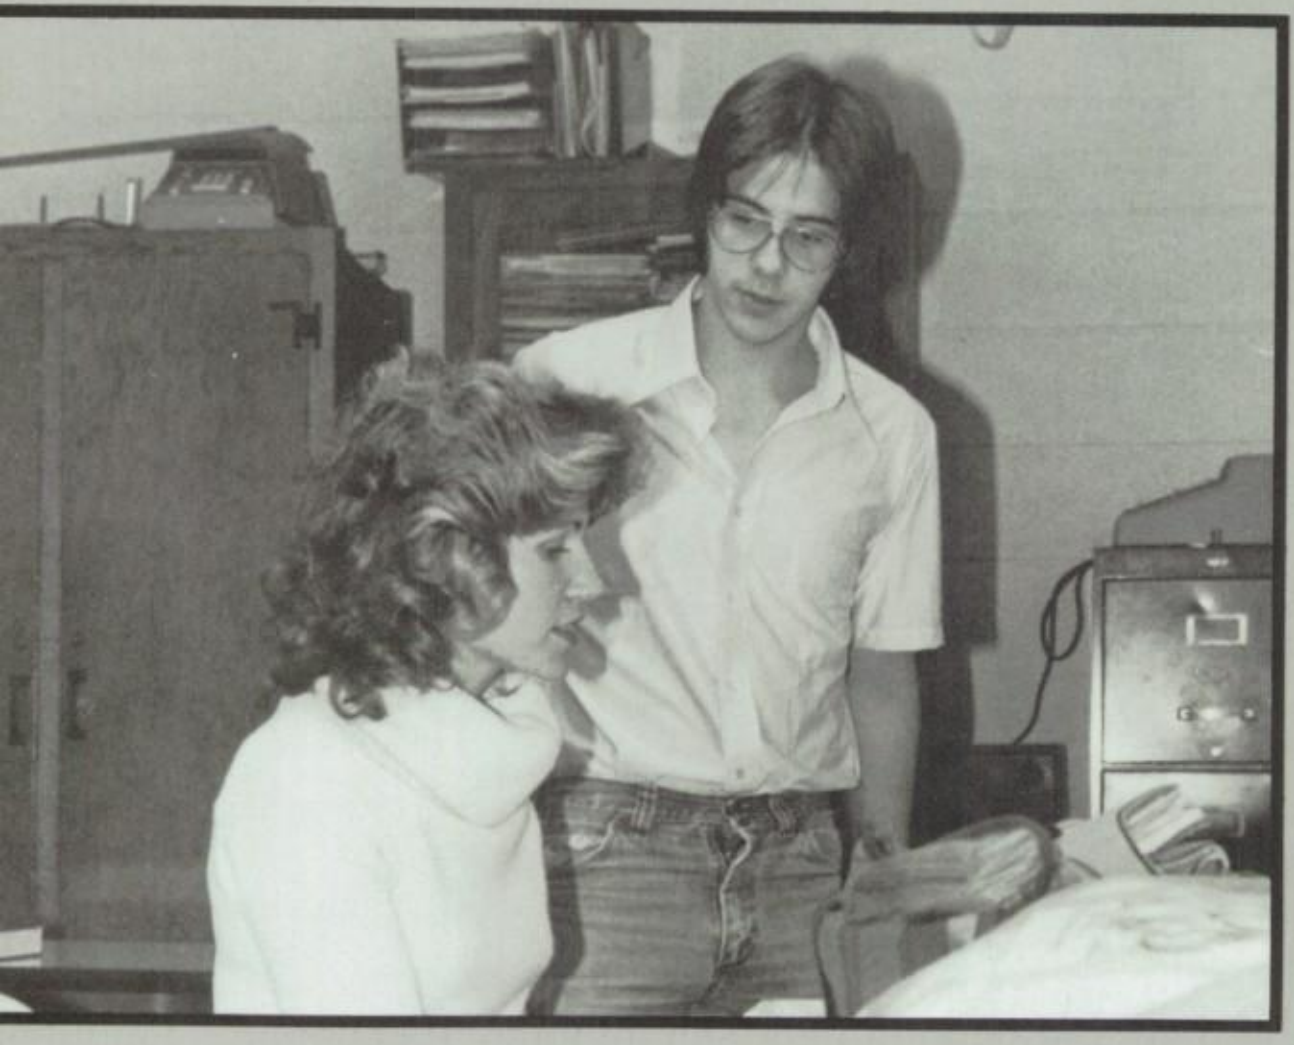


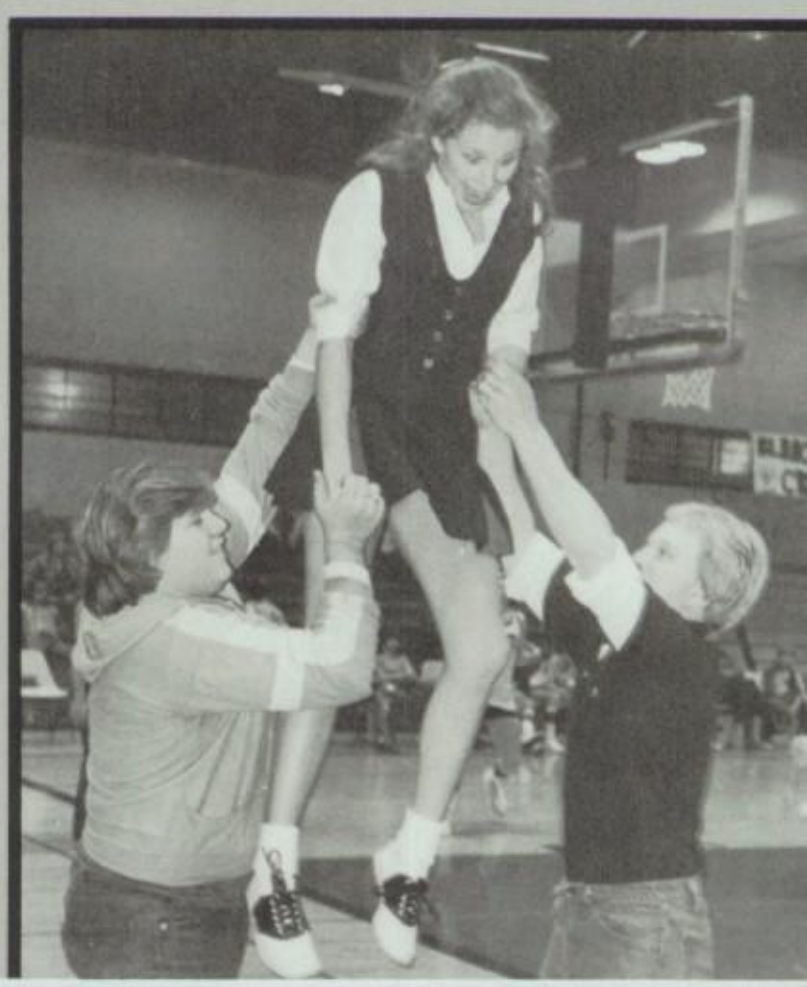
People Developing . . . ***People Sharing . . .*** ***People Expressing . . .***





People Participating . . . ***People Living . . .*** ***People Creating . . .***





People Learning . . . ***People Experiencing . . .*** ***People Competing . . .***

After experiencing days filled with frustration, elation, depression, anger, joy, and finally pride, we did it; we finished the 1981 Centralite. We, the Centralite Staff, would like to extend our warmest thanks to the following dedicated people who helped to make this year's Centralite a reality; the students and faculty who supported us by purchasing an annual; the businesses who generously purchased advertisements; Graham's studio, who patiently worked to print our pictures so we could meet our deadlines; Mr. Ed Bailey, our yearbook consultant, who gave us encouragement and support and helped us to know what total confusion really is; Coach Bales, who helped to keep our finances straight and cried after he saw the shape we were in; Mrs. Norton, who graciously let us use her room for only a small rental fee; and most of all Mary Sue Miller, our yearbook sponsor and dear friend, who patiently guided us page by page with her unlimited support and love. We love you Mary Sue!

People Exploring . . . People Enjoying . . . People Discovering.
